## **Hackney Homes celebrate International Women's Day**

Hackney Homes is celebrating International Women's Day this week, by applauding the great work of some of our women in Hackney Homes.

In recent months, two of our female members of staff have been nominated for two separate awards: Women in Construction and Housing Heroes.

Our Women in Construction are Denise Hill, Electrical Services Manager and Daisy Clarke, one of our apprentice plumbers, who were both shortlisted for their dedication to providing excellent services and for paving the way for women in the industry.

Denise has also been nominated for Career Development Star of the Year at the 2011 Housing Heroes Awards.

Charlotte Graves, Chief Executive of Hackney Homes said: This is a fantastic achievement by both Denise and Daisy. We are proud to have such a diverse and skilled workforce who is absolutely committed to providing excellent services to Hackney Homes residents”.

International Women's Day (8 March) is a global day celebrating the economic, political and social achievements of women past, present and future.

**-Ends-**

### **Notes to Editors**

- Hackney Homes is an arms-length management organisation managing around 30,000 council properties in the borough of Hackney.
