Residents commend Hackney Homes staff

“Marcus is one in a million. He is helpful and will give help if you need”. This is one of over 50 nominations received from residents for a Hackney Homes estate cleaner in the Hackney Homes Staff Awards.

Traditionally voted for by staff, the Hackney Homes Staff Awards has been opened to residents for the first time and has resulted in numerous nominations for staff who provide essential services.

Estate cleaners, housing managers and repairs operatives were nominated and commended for their hard work, dedication and commitment to residents.

Charlotte Graves, Chief Executive of Hackney Homes said: We are pleased that so many nominations have been received from residents for staff who provide excellent services to them. Well done to all staff who have been recognised”.
