

Press Release  
11 July 2011

## **Want cheaper energy bills? Hackney Homes has free advice for you**

Hackney Homes residents can get free advice on how to save energy and reduce their fuel bills by making a quick call to Climate Energy on 0800 980 9270.

Climate Energy are specialists in everything 'green' and trained advisors will discuss top-tips for energy saving and ideas that can help you save money at home. They will also discuss the grants currently available to leaseholders and freeholders as well as how to prevent costly fuel bills.

Advisors are available Monday to Friday from 9am to 7pm and on the Saturday from 9am to 12 noon. They are fluent in a number of languages and can also advise tenants who are hard of hearing using text-to-voice and voice-to-text relay service.

If you are attending a Hackney Homes community event this summer, you can meet with Climate Energy advisors who can give you face-to-face advice on how to reduce fuel bills and provide you with detailed information on a range of topics including low energy lighting, top tips, insulation and draught-proofing.

Climate Energy will also be supporting Hackney Homes staff providing energy advice to residents and tenants who access their services as well as where appropriate providing home visits to residents and tenants to give specialist advice on how to reduce energy bills.
