**Are you looking to improve your home but struggling with finances? If you are a homeowner living in East London we may be able to help support you to find funds for making repairs, improvements or adaptations to your home. We also support leaseholders with major works bills.**

## **How we help**

DABD Financial Capability coaches can provide free, confidential guidance on finding funds and help you look at the various options available to you. We can also carry out a free 'benefit check' to ensure that you are not missing out on benefits and tax credits that may be due to you.

We will then be able to help you through the process including completing any necessary paperwork and if appropriate, refer you to any other services or schemes that may be able to help.

## **About Us**

Our Financial Capability Coaching Service is funded by the East London Renewal Partnership (ELRP) to help vulnerable residents maintain and improve their homes beyond what is affordable through Local Authority grants. The service is provided by DABD (uk) and supervised by Fair Money to guarantee a quality and impartial service.

DABD Welfare Benefits Advice Team has been offering advice for a number of years. We have been awarded the Community Legal Service quality mark at general help level for casework in welfare benefits. We are also members of Advice UK, the national body for organisations providing advice.
