Fawcett Fun Day sizzling success

Hackney Homes is holding six fun days throughout summer. The first took place on 28 July on the Fawcett Estate where residents turned out in force.

Over 200 local residents enjoyed a sizzling barbeque and took the opportunity to speak to Hackney Homes staff about services provided and improvements that could be made on the estates.

The free fun day offered a range of great activities including a barbeque, music, face painting, bouncy castle, and giant games. Stalls included Decent Homes, Estate Safety, Warden Service and Tenant Participation. Estate Residents Association Rhonda Dewsnap said "We were delighted to have hosted the first Hackney Homes fun day. It was really good fun as well as informative and residents came away with a lot of useful information."
