Make a difference in Homerton

18th January 2008

Hackney Homes is looking for passionate, active, forward thinking Homerton residents who are willing to stand up and make a difference to where they live.

There is a vacancy on the Hackney Homes board for a Homerton resident and we need you to stand up and represent your neighbourhood. If you are interested you will need to nominate yourself by the 20th February. You can do this by phoning 0208 365 8909, or e-mailing max.farrell@electoralreform.co.uk or download the form from our website www.hackneyhomes.org.uk. It's a simple application form but you will need 5 supporters to back your application.

Chair of Hackney Homes Rupert Tyson says: "This is a great opportunity to make a difference to your community. Hackney Homes' board makes decisions that affect all our residents so it's really important that we reflect the community we serve."

He adds: "As a board member you will get all the support you need including comprehensive training, travel expenses and other allowances such as childcare."

Once we have received the nominations we will be asking all Homerton residents who they think best represents them. We will do this by sending a ballot pack out to every resident. Once we have received the ballots back we will let you know who the successful resident is.
