Cycling Mania hits Hackney estate

If you are aged under 19 and live in Hackney, a fantastic new club has opened on Nightingale Estate for you to get up to speed with everything bike related.

The club opens every Wednesday from 4.30pm - 6.30pm on Nightingale Estate, 1 Olympus Square (near Hackney Homes office).

You can learn how to fix punctures and change tyres on your bike, increase confidence when cycling and even gain a certificate in cycle maintenance.

For more information on the bike project, contact Kier Apperley on **020 8820 7000** or Sonia Bradley on **020 8356 7845**.
